

2017 Wolf Lake Harvest Fest Parade

Please join us on Saturday, August 19th, 2017 for the annual Wolf Lake Harvest Fest Parade.
It's organizations like yours that make this parade a huge success!

Line-up starts at Noon at the sledding hill on Hwy 38, just North of Wolf Lake. Please arrive before 1:30PM as the parade begins at 2PM sharp! Line up is a first come, first served basis – except for Military, Fire Departments and Bands.

We ask that vehicles coming from West of town continue straight past the Co-op after the parade & take their floats down in the old county shed parking lot – to help reduce congestion behind the Lion's Hall.

Please note – this is a "silent" parade – meaning NO SIRENS/HORNS.

To aid us in knowing how many units to expect, please fill out the form below and either mail it to:
